1. All records relating to water quality data or sampling data obtained by EPA or any other party over the past 12 months relating to the Site. For the purposes of this request, "the Site" means and includes the Upper Animas Mining District described in EPA's Comprehensive Environmental Response, Compensation, and Liability Information System (CERCLIS) database as the "Animas Watershed above and near Silverton." Documents previously produced by EPA to Sunnyside Gold Corporation in connection with Sunnyside's February 14, 2013 FOIA request are excluded from this request.

Sincerely,

Sabrina Forrest
